**Complaint For Damages And

Of: American's With Disabilities  
Act; Unruh Civil Rights Act

Plaintiff Alfonso Garibay Jr. complains of Defendants 765 Showcase Drive North, LLC, a California Limited Liability Company; Imperial Imports, Inc., a California Corporation; and Does 1-10 ("Defendants") and alleges as follows:

**PARTIES:**

1. Plaintiff is a California resident with physical disabilities. He is a

1 paraplegic who uses a wheelchair for mobility.

2 2. Defendant 765 Showcase Drive North, LLC owned the real property  
3 located at or about 765 Showcase Dr. North, San Bernardino, California, in  
4 February 2017.

5 3. Defendant 765 Showcase Drive North, LLC owns the real property  
6 located at or about 765 Showcase Dr. North, San Bernardino, California,  
7 currently.

8 4. Defendant Imperial Imports, Inc. owned the Toyota of San Bernardino  
9 located at or about 765 Showcase Dr. North, San Bernardino, California, in  
10 February 2017.

11 5. Defendant Imperial Imports, Inc. owns the Toyota of San Bernardino  
12 (“Toyota”) located at or about 765 Showcase Dr. North, San Bernardino,  
13 California, currently.

14 6. Plaintiff does not know the true names of Defendants, their business  
15 capacities, their ownership connection to the property and business, or their  
16 relative responsibilities in causing the access violations herein complained of,  
17 and alleges a joint venture and common enterprise by all such Defendants.  
18 Plaintiff is informed and believes that each of the Defendants herein,  
19 including Does 1 through 10, inclusive, is responsible in some capacity for the  
20 events herein alleged, or is a necessary party for obtaining appropriate relief.  
21 Plaintiff will seek leave to amend when the true names, capacities,  
22 connections, and responsibilities of the Defendants and Does 1 through 10,  
23 inclusive, are ascertained.

24  
25 **JURISDICTION & VENUE:**

26 7. This Court has subject matter jurisdiction over this action pursuant to  
27 28 U.S.C. § 1331 and § 1343(a)(3) & (a)(4) for violations of the Americans with  
28 Disabilities Act of 1990, 42 U.S.C. § 12101, et seq.

1 8. Pursuant to supplemental jurisdiction, an attendant and related cause  
2 of action, arising from the same nucleus of operative facts and arising out of  
3 the same transactions, is also brought under California's Unruh Civil Rights  
4 Act, and the California Disabled Persons Act, which acts expressly incorporate  
5 the Americans with Disabilities Act.

6 9. Venue is proper in this court pursuant to 28 U.S.C. § 1391(b) and is  
7 founded on the fact that the real property which is the subject of this action is  
8 located in this district and that Plaintiff's cause of action arose in this district.

9  
10 **FACTUAL ALLEGATIONS:**

11 10. The Plaintiff went to Toyota in February 2017 to have a car serviced.

12 11. Toyota is a facility open to the public, a place of public accommodation,  
13 and a business establishment.

14 12. Transaction counters are one of the facilities, privileges, and advantages  
15 offered by Defendants to patrons of Toyota.

16 13. The transaction counter at Toyota was more than 36 inches in height.

17 14. There was no lowered, 36-inch or lower portion of the transaction  
18 counter at Toyota for use by persons with disabilities during plaintiff's visit.

19 15. Currently, the transaction counter at Toyota is more than 36 inches in  
20 height.

21 16. Currently, there is no lowered, 36-inch or lower portion of the  
22 transaction counter at Toyota for use by persons with disabilities.

23 17. Restrooms are also one of the facilities, privileges, and advantages  
24 offered by Defendants to patrons of Toyota.

25 18. The restroom mirror was mounted on the wall so that its bottom edge  
26 was higher than 40 inches above the finish floor and was not effectively used  
27 by wheelchair users.

28 19. The restroom sink had a cabinet style sink that did not provide any knee

1 clearance for wheelchair

2 20. The paper towel dispenser was mounted so that its highest operable part  
3 was greater than 54 inches above the finish floor and inaccessible to  
4 wheelchair users.

5 21. Currently, the restroom mirror is mounted on the wall so that its bottom  
6 edge is higher than 40 inches above the finish floor and is not effectively used  
7 by wheelchair users.

8 22. Currently, the restroom sink has a cabinet style sink that does not  
9 provide any knee clearance for wheelchair

10 23. Currently, the paper towel dispenser is mounted so that its highest  
11 operable part is greater than 54 inches above the finish floor and inaccessible  
12 to wheelchair users.

13 24. Plaintiff personally encountered these barriers.

14 25. These inaccessible conditions denied the plaintiff full and equal access  
15 and caused him difficulty and frustration.

16 26. Plaintiff would like to return and patronize Toyota but will be deterred  
17 from visiting until the defendants cure the violations.

18 27. The defendants have failed to maintain in working and useable  
19 conditions those features required to provide ready access to persons with  
20 disabilities.

21 28. The violations identified above are easily removed without much  
22 difficulty or expense. They are the types of barriers identified by the  
23 Department of Justice as presumably readily achievable to remove and, in fact,  
24 these barriers are readily achievable to remove. Moreover, there are numerous  
25 alternative accommodations that could be made to provide a greater level of  
26 access if complete removal were not achievable.

27 29. For example, one of the common barrier removal projects is to modify  
28 transaction counters so that there is an accessible portion of counter. This is a

1 simple architectural and construction task, well within the capabilities of any  
2 general contractor, and done with a modicum of expense and effort.

3 30. Plaintiff is and has been deterred from returning and patronizing Toyota  
4 because of his knowledge of the illegal barriers that exist. Plaintiff will,  
5 nonetheless, return to assess ongoing compliance with the ADA and will  
6 return to patronize Toyota as a customer once the barriers are removed.

7 31. Given the obvious and blatant violation, the plaintiff alleges, on  
8 information and belief, that there are other violations and barriers on the site  
9 that relate to his disability. Plaintiff will amend the complaint, to provide  
10 proper notice regarding the scope of this lawsuit, once he conducts a site  
11 inspection. However, please be on notice that the plaintiff seeks to have all  
12 barriers related to his disability remedied. See *Doran v. 7-11*, 524 F.3d 1034  
13 (9th Cir. 2008) (holding that once a plaintiff encounters one barrier at a site,  
14 he can sue to have all barriers that relate to his disability removed regardless of  
15 whether he personally encountered them).

16 32. Additionally, on information and belief, the plaintiff alleges that the  
17 failure to remove these barriers was intentional because: (1) these particular  
18 barriers are intuitive and obvious; (2) the defendants exercised control and  
19 dominion over the conditions at this location and, therefore, the lack of  
20 accessible facilities was not an "accident" because had the defendants  
21 intended any other configuration, they had the means and ability to make the  
22 change.

23  
24 **I. FIRST CAUSE OF ACTION: VIOLATION OF THE AMERICANS**  
25 **WITH DISABILITIES ACT OF 1990** (On behalf of plaintiffs and against all  
26 defendants (42 U.S.C. section 12101, et seq.)

27 33. Plaintiff repleads and incorporates by reference, as if fully set forth  
28 again herein, the allegations contained in all prior paragraphs of this

1 complaint.

2 34. Under the ADA, it is an act of discrimination to fail to ensure that the  
3 privileges, advantages, accommodations, facilities, goods and services of any  
4 place of public accommodation is offered on a full and equal basis by anyone  
5 who owns, leases, or operates a place of public accommodation. See 42 U.S.C.  
6 § 12182(a). Discrimination is defined, inter alia, as follows:

- 7 a. A failure to make reasonable modifications in policies, practices,  
8 or procedures, when such modifications are necessary to afford  
9 goods, services, facilities, privileges, advantages, or  
10 accommodations to individuals with disabilities, unless the  
11 accommodation would work a fundamental alteration of those  
12 services and facilities. 42 U.S.C. § 12182(b)(2)(A)(ii).
- 13 b. A failure to remove architectural barriers where such removal is  
14 readily achievable. 42 U.S.C. § 12182(b)(2)(A)(iv). Barriers are  
15 defined by reference to the ADAAG, found at 28 C.F.R., Part 36,  
16 Appendix "D."
- 17 c. A failure to make alterations in such a manner that, to the  
18 maximum extent feasible, the altered portions of the facility are  
19 readily accessible to and usable by individuals with disabilities,  
20 including individuals who use wheelchairs or to ensure that, to the  
21 maximum extent feasible, the path of travel to the altered area and  
22 the bathrooms, telephones, and drinking fountains serving the  
23 altered area, are readily accessible to and usable by individuals  
24 with disabilities. 42 U.S.C. § 12183(a)(2).

25 35. In areas used for transactions that may not have a cash register but at  
26 which goods or services are sold or distributed, the business must provide  
27 either: (1) a portion of the main counter which is a minimum of 36 in inches  
28 length shall be provided with a maximum height of 36 inches; or (2) an

1 auxiliary counter with a maximum height of 36 inches in close proximity to the  
2 main counter; or (3) some sort of qualifying equivalent facilitation. 1991  
3 Standards § 7.2(2). Under the 2010 Standards, where the approach to the sales  
4 or service counter is a parallel approach, such as in this case, there must be a  
5 portion of the sales counter that is no higher than 36 inches above the floor and  
6 36 inches in width and must extend the same depth as the rest of the sales or  
7 service counter top. 2010 Standards § 904.4 & 904.4.1.

8 36. Here, no such accessible transaction counter has been provided in  
9 violation of the ADA.

10 37. Sinks must provide knee clearance of at least 29 inches in height. 1991  
11 Standards § 4.19.2 and Figure 31; 2010 Standards § 606.2 and 306.

12 38. Here, no such knee clearance was provided and this is a violation of the  
13 ADA.

14 39. Mirrors shall be mounted with the bottom edge of the reflecting surface  
15 no higher than 40 inches above the finish floor. 1991 Standards § 4.19.6;  
16 2010 Standards § 603.3.

17 40. Here, the mirror was mounted higher than the maximum permitted and  
18 is a violation of the ADA.

19 41. If controls, dispensers, receptacles or other equipment is provided in a  
20 restroom, they must be on an accessible route and be mounted so that their  
21 highest operable parts are no greater than 54 inches above the floor. 1991  
22 Standards § 4.22.7; 4.27.

23 42. Here, the failure to ensure that the wall mounted accessories met the  
24 height requirement is a violation of the ADA.

25 43. A public accommodation must maintain in operable working condition  
26 those features of its facilities and equipment that are required to be readily  
27 accessible to and usable by persons with disabilities. 28 C.F.R. § 36.211(a).

28 44. Here, the failure to ensure that the accessible facilities were available

1 and ready to be used by the plaintiff is a violation of the law.

2 45. Given its location and options, plaintiff will continue to desire to  
3 patronize Toyota but he has been and will continue to be discriminated against  
4 due to the lack of accessible facilities and, therefore, seeks injunctive relief to  
5 remove the barriers.

6  
7 **II. SECOND CAUSE OF ACTION: VIOLATION OF THE UNRUH CIVIL**  
8 **RIGHTS ACT** (On behalf of plaintiffs and against all defendants) (Cal Civ §  
9 51-53)

10 46. Plaintiff repleads and incorporates by reference, as if fully set forth  
11 again herein, the allegations contained in all prior paragraphs of this  
12 complaint.

13 47. Because the defendants violated the plaintiffs' rights under the ADA,  
14 they also violated the Unruh Civil Rights Act and are liable for damages. (Civ.  
15 Code § 51(f), 52(a).)

16 48. Because the violation of the Unruh Civil Rights Act resulted in difficulty,  
17 discomfort or embarrassment for the plaintiffs, the defendants are also each  
18 responsible for statutory damages, i.e., a civil penalty. (Civ. Code § 55.56(a)-  
19 (c).)

20  
21 **PRAYER:**

22 Wherefore, Plaintiff prays that this court award damages and provide  
23 relief as follows:

24 1. For injunctive relief, compelling defendants to comply with the  
25 Americans with Disabilities Act and the Unruh Civil Rights Act. Note: the  
26 Plaintiff is not invoking section 55 of the California Civil Code and is not  
27 seeking injunctive relief under the Disabled Persons Act at all.  
28

1           2. Damages under the Unruh Civil Rights Act which damages provide for  
2 actual damages and a statutory minimum of \$4,000.

3           3. Reasonable attorney fees, litigation expenses and costs of suit,  
4 pursuant to 42 U.S.C. § 12205; Cal. Civ. Code § 52.
